Sirapat Eiamassavamongkol

Address: 59/51 Sridan 24, Srinakarin Road, Bang Kaew, Bang Phli, Samut Prakan |
Phone number: +66 886225556 | **Email address:** hlinhhlin@gmail.com

Summary

Digital Engineering student with a strong proficiency in Python, JavaScript, and React.js, backed by practical experience in Front End and Full Stack development gained through previous internships. Certified in Intermediate Python, I bring leadership qualities honed as Class President, showcasing adept communication, teamwork, and adaptability. Eager to leverage this skill set and contribute effectively to a Software Engineer Intern role for the June - July 2024 Internship.

Education

Bachelor of Engineering in Digital Engineering   **2021 - Current**
- Sirindhorn International Institute of Technology (SIIT), Thammasat University, Pathum Thani, Thailand
- GPA: 3.72

High School Diploma
- Triam Udom Suksa School, Bangkok, Thailand   **2018 - 2021**
- Major: English - Mathematics

Experience

Full Stack Developer Intern | 500 miles Co., Ltd | Bangkok, Thailand   **Jun. - Jul. 2023**
- Led full-stack development for a form collection project using React.js, FastAPI, and MongoDB.
- Developed a streamlined and user-friendly form collection system.

Front End Developer Intern | 500 miles Co., Ltd | Bangkok, Thailand
- Collaborated with a dynamic team to enhance the user interface and overall user experience using   **Dec. 2022**
  React.js and Figma.
- Applied responsive web design principles to ensure seamless interactions on various devices.
